

Repetitive adding with pictures

2Bc-00004-2017-memo

Write a repetitive adding sum for each picture.

 $2 + 2 + 2 = 6$	 $5 + 5 + 5 + 5 = 20$
 $3 + 3 + 3 = 9$	 $2 + 2 + 2 + 2 = 8$

Write a repetitive adding sum for each word sum.

	This table has 3 legs. How many legs will four tables have? $3 + 3 + 3 + 3 = 12$
	The bicycle has 2 wheels. How many wheels will five bicycles have? $2 + 2 + 2 + 2 + 2 = 10$
	The sheep has 4 legs. How many legs will three sheep have? $4 + 4 + 4 = 12$
	This foot has 5 toes. How many toes will three feet have? $5 + 5 + 5 = 15$

Calculate.

$2 + 2 + 2 + 2 + 2 + 2 = 12$	$5 + 5 + 5 + 5 = 20$
$3 + 3 + 3 + 3 + 3 = 15$	$10 + 10 + 10 = 30$
