

Add tens and units up to 50

2Bb-K2-00001-2017-memo

Break down into tens and units.

$13 = 10 + 3$	$35 = 30 + 5$	$29 = 20 + 9$
$16 = 10 + 6$	$24 = 20 + 4$	$32 = 30 + 2$

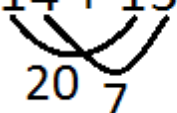

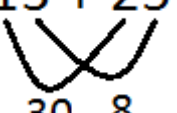

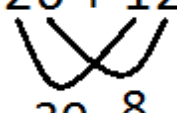

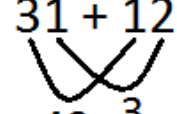

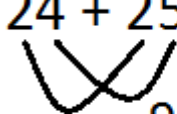

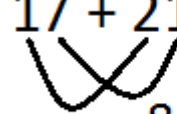

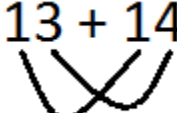

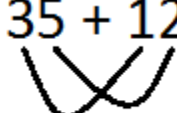

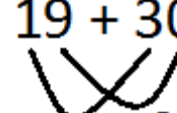

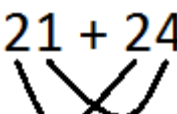

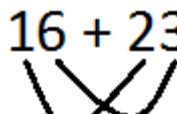

Build up.

$20 + 6 = 26$	$30 + 7 = 37$	$40 + 8 = 48$
$10 + 5 = 15$	$20 + 1 = 21$	$50 + 3 = 53$

Calculate.

$10 + 20 = 30$	$20 + 10 = 30$	$7 + 2 = 9$
$20 + 20 = 40$	$10 + 30 = 40$	$5 + 3 = 8$
$30 + 10 = 40$	$40 + 10 = 50$	$4 + 4 = 8$

Do the sums as in the example:

$14 + 13 = 27$ 	$13 + 25 = 38$ 	$26 + 12 = 38$ 
$31 + 12 = 43$ 	$24 + 25 = 49$ 	$17 + 21 = 38$ 
$13 + 14 = 27$ 	$35 + 12 = 47$ 	$19 + 30 = 49$ 
$21 + 24 = 45$ 	$16 + 23 = 39$ 	$26 + 10 = 36$
