

- Fill in the minutes.
(Count in fives.)
- Write to left on the clock.
- Write past right on the clock.

How many minutes are coloured?

20 minutes past		
--------------------	--	--

--	--	--

Write below each clock whether is is to or past. See the example.

Colour the minutes. Start at 12.

5 minutes past	25 minutes to	10 minutes to
----------------	---------------	---------------

Write the time below each clock.
