

Worksheet 2015-5EN-00001

PERIMETER

(1) Calculate the perimeter of the following figures.

Assume that the length and width of each square is 1 cm.

Perimeter of A	Perimeter of B	Perimeter of C	Perimeter of D

(2) Complete the table.

PERIMETER		LENGTH OF EACH SIDE
(a)	The perimeter of a square is 32cm	
(b)		7 cm
(c)	The perimeter of a square is 48 cm	
(d)		25 cm
(e)	The perimeter of a square is 60 cm	
(f)	The perimeter of a square is 64 cm	
(g)		10 cm
(h)	The perimeter of a square is 1 m	
(i)		100 cm
(j)	The perimeter of a square is 52 cm
